OUTDOOR **LFX COB SERIES**

LFX-O-14.00-RGB-COB-Z3-840-24-CV-10-XX-1-HT-RMTLWL05

YYZ LFX COB IP67 series features excellent homogenous light, without visible light points. The COB strip is a high-density led lighting strip made by COB encapsulation, which can reduce the thermal resistance of the high-density strip circuit system, greatly improves the life of the LED, and the light flux density is high, the glare is small, and the light is uniform. These series is perfect for indirect lighting and hence used in offices, residential interiors, furniture, or places which require large luminous surface.

FEATURES

LIGHT SOURCE	СОВ
LED QUANTITY	840 L
FINISH	Whit
WORKING VOLTAGE	24 Vo
RATED POWER	14W
RADIANCE ANGLE	180°
LAMP LIFE	5000
MOUNTING	3M T
CONNECTION	Hard
CUTTING INCREMENTS	Every
DIMENSIONS	5000
MAX DAISY RUN	5 mt
