

SPIKE LIGHT

SPL 0024

Mono IP67 CE

YYZ Spike light is a high brightness luminaire in power LED version providing precision optical systems which gives very low glare rating, while reducing light pollution and specially designed for landscapes and in unique structural design shape. These luminaires are designed to offer functional, a wide range of lighting solutions and dramatic highlighting of the architectural facades, landscapes, trees through the superior finishing as well highest efficiency with a long service life. This exterior ground spike luminaries are made in aluminum body and can achieve the desired effect in a wide range of applications with high quality optical systems and for direct lighting.

FEATURES
