

# MILLEPEDE MPE

**Mono** IP65 CE

YYZ Millepede is a floodlight developed to brighten the night, outdoor garden and outdoor building facade using the high performance of COB LED light source. The outdoor lighting fixture is designed with a spinning top shaped body. The vertical rotation of the reflector inside of the body and horizontal rotation of the luminaire are possible to aim the object without relocating the fixture. With the diverse beam angles of the reflector along with the high-performance COB technology, it provides low-dazzle and outstanding light output for comfort.
